

	<b>PREPARATION: 24-HOUR URINE COLLECTION FOR CREATININE CLEARANCE</b>	cod. S 57 date 11/04/2024 rev. 5
---	---	--

*Dear Sir/Madam,*

*Please be advised that it is important to follow the instructions below to perform this test.*

### PREPARATION FOR TEST

- o Blood sampling for serum creatinine assay while fasting is also required to perform the test.

### PREPARATION FOR URINE COLLECTION

- o Use only special containers available from pharmacies.
- o During collection, avoid exposing the container to light and temperatures above 10°C.

### SAMPLE COLLECTION

Day before the test:

1. Discard the first morning urine (at 7 a.m. at the start of collection).
2. Collect all subsequent urine in the container including the following morning (always at 7 a.m.).

### SAMPLE DELIVERY

The container with the entire urine sample must be delivered on the day of blood collection.
